Bandung, Indonesia

Hi, I'm Rezky Mandar Suaib, someone who likes doing everything related to technology and business. I also have a strong desire to continue learning to manage various types of software. My current interests is UI/UX Designer and Front-end Web Developer.

Work Experiences

Priglusci - **Bandung, Indonesia** — Jan 2023 - Dec 2023

Owner

As the owner and founder of Priglusci, I run my own perfume company from scratch using a comedy theme. I am responsible for all operational aspects, brand development strategy, social media creator content and product innovation.

- Develop and launch various perfume collections that become customer favorites.
- Significantly increase brand awareness and sales.

Yayasan Pendidikan Telkom - **Bandung, Indonesia** — Jul 2022 - Aug 2022

Internship

In this company I am an intern in the position of UI / UX designer with the task title "REDESIGN APPLICATION WEB-BASED OF SPPD ONLINE USING FIGMA".

- Able to use the figma application well
- Able to do tasks independently
- Get a perfect score by the field supervisor and academic supervisor

Digantekno - **Bandung, Indonesia** — Sep 2021 - Nov 2021

Designer

Digantekno is a business management services startup that provides various services such as creating websites, handling social media, and others. Digantekno didn't last long, the company stopped because it didn't reach its revenue target so the company went bankrupt.

- Content design for startup Digantekno
- Content design for startup Maresto Indonesia
- Stationary Design for startups Tiba Tiba Pindahan

Education Level

Universitas Telkom - **Bandung, Indonesia** — Aug 2019 - Aug 2023

Bachelor Degree in Information Technology, 3.06/4.00

Organisational Experience

Roadshow to Celebes - **Makassar, Indonesia** — Nov 2019 - Nov 2020

Head of Publication and Documentation

Roadshow to Celebes is an event promoting Telkom University in regions throughout Sulawesi. The main event is in Makassar.
